Popeye tries his hand at Cake Decoratin'!

With a little help from a few friends and Wilton, Popeye puts the frosting on his cake. After downing a can of spinach, his fast-acting fists are all set to whip his "beeyootiful" cake into shape. Popeye scores another knockout (cake that is)! His friends all agree, so will you.

Here's another way to decorate that's a real time-saver! Mix fewer colors... faster finish! Design shown uses two tubes, 3 and 18—four Wilton Paste Food Colors in Brown, Orange, Leaf Green and Golden Yellow.
